

## Avery Clark

diagnosed with the very rare disease, Costello Syndrome in which there are an estimated 200 cases worldwide. Proceeds from this and other events will benefit rising medical costs for this precious 15 month old baby boy. Donations accepted.

for more info on the disease, visit

<http://www.costellokids.org.uk/>

for information on other events, please contact

Brandy at [bkroll24@hotmail.com](mailto:bkroll24@hotmail.com)

or Felicia at [flea.barry@yahoo.com](mailto:flea.barry@yahoo.com)
